

Home Learning Timetable Updates 12th January 2021, Years 9-11

Remember: you will not have a live lesson in EVERY session for English, maths, science - check what you have in your Teams calendar. Staff will select which one is live and in the rest you should be doing the remote learning they set. For your other subjects, you have one live session per week in the slot below. In the Independent Study slots (IS) and any slots because you do not do a particular subject, you should then do at least one more hour for each of those subjects in pale blue **and** extra English, maths, science, as well as 30 minutes reading and 30 minutes exercise per day. These are the minimums you should be trying to do.

Y9	P1 9-10 am	P2, 10 am	11.00	P3, 11.20 am	P4, 12.20 pm	1.20 pm	P5, 1.45 pm
